

**Medalha de Honra da Universidade Paul Sabatier para o
Prof. Waldyr A. Rodrigues Jr.**

Medal of Honor of Paul Sabatier University for Prof. Waldyr A. Rodrigues Jr.

On March 20, 2012, Professor A. Waldyr Rodrigues Jr. received from the President of the University, Paul Sabatier (Toulouse), Gilles Fourtanier, the Medal of Honor Paul Sabatier for his work on applications of Clifford Algebras in Mathematical Physics.

Waldyr A. Rodrigues Jr. was director of the Institute of Mathematics, Statistics and Computer Science from Unicamp between 1994 and 1998. In 1992 and 1998, he won the Zeferino Vaz Merit Scholar in Mathematics. Currently he is deputy coordinator of the Center Cairos - Clifford Algebras International Research Open Studies at the University Paul Sabatier, and Editor of Advances in Applied Clifford Algebras (Birkhäuser-Springer).
